Attention: Mr. J. Muchiri

COCA-COLA FACTORY, NAMANVE, UGANDA
FIBREMESH.

We are pleased to inform you that we have been using your Fibremesh reinforcement with great success in the construction of all the surface beds (30 000m²) to our new factory at Namanve. We will definitely try and use this product in any future facilities designed by us.

Again thank you very much for introducing this product to us. It has saved us time and problems during construction.

Yours faithfully

J.I. Burden, Pr. Eng.
Resident Engineer: Coca-Cola Sabco
